

Student Course Perceptions (SCP) Surveys

Your chance to share your learning experience.

Your feedback is important!

1. Login using your WatIAM credentials
2. Select your course from the list
3. Answer all questions in one sitting
4. Check instructor + course to make sure you had the **right learning experience in mind** while responding!
5. Hit Submit

Credentials are never
linked to responses!

Student Course Perceptions (SCP) Surveys

Always use language that supports your instructors' wellbeing.

Abusive comments (e.g. about aspects of instructor identity) may result in your entire survey response being removed.

Giving Effective Feedback

- Be honest: write about your learning experience
- Be specific: provide examples
- Be focused: restrict comments to your own experience
- Be constructive: offer suggestions for improvement
